Chief Draftsperson Gray:

Enclosed are substitute formal drawings (5 sheets) for filing in the above-identified patent application.

The drawing changes incorporated in the substitute drawings are to correct informalities.

Contemporaneously with the entry of these substitute drawings, please cancel the drawings previously filed in this application.

Applicant acknowledges the courtesy of telephone interviews with Chief Draftsperson Gray regarding the absence of formal drawings sheets 1-4 in the Patent Office's file for this application. Although formal drawings sheets 1-4 were originally submitted on November 4, 1998, it appears that, upon their receipt at the Patent Office, they never were matched up with this application file.
